Mennonite Voluntary Service (MVS) Unit: Shalom maintains a strong MVS unit in Tucson, housing about 5 volunteers at a time. Our volunteers come from across the nation and the globe to work with the people of Tucson for service terms of 1-3 years. Our VSers are a central part of Shalom, and are active within wider Tucson communities. Please take the opportunity to get to know our VSers during their time in Tucson.

Shalom birthdays this week:

Help displaced people in the Democratic Republic of the Congo: Armed conflict in the Kasai region of the DR Congo has displaced 1.4 million people, including 8,000 Mennonites. There is a severe lack of food and increasing malnutrition. Families had to leave their fields and animals when they fled the violence. Your gift of money will help provide food, household items and shelter supplies. Make your donation online at mcc.org/congo-relief or by phone, 1-888-563-4676; mail checks to MCC, PO Box 500, Akron PA 17501. Please keep those who have been forced from their homes, and those hosting them, in your prayers.

From T-Mail:

According to Marty Troyer, pastor of Houston Mennonite Church: "We'd definitely invite prayers for all the **Mennonites and people in Houston**," said Troyer. "I've checked in with all three of the Mennonite churches and [the] church plant in the city, and all [are] reporting [being] safe and dry. I would ask for prayers for us as we try to live out our faith to our neighbors. There are definitely people who need help, and I would ask for prayers that Mennonites here in Houston can do what we can and be bold enough to see ourselves as part of the solution." An assessment team from Mennonite Disaster Service arrived in Texas on Wednesday.

ANNOUNCEMENTS

The **Fall worship series** theme is *Living in God's big story*. From August 20-November 26 we will seek to find our place in the spiral of God's healing/liberation story with us. We'll tell our way through God's big story in Biblical/chronological order with focus on how that part of the story of God with us fits in the whole story of God's liberating love.

Brief orientation to interpretation/hearing assistance system after worship today. Please come if: you are an interpreter or receive interpretation in Swahili or Spanish, you do AV, are a greeter, or you

will use a headset transmitting in English (e.g. for hearing assistance, those who need to leave the worship room other than to the nursery and crib room where the service is already piped in).

Second Hours begin again on Sept. 10! Stay and join in...

Sept. 10: Erik and Fern will lead singing from the new hymnal project sampler

The hospitality coordinating committee is inviting the church to a **community potluck meal** on the first Wednesday of every month, to show hospitality to our friends living in Zuni House. The second of these community meals will be this Wednesday, **September 6**, at 6 p.m. at the church. Contact Carrie or Destinee if you have questions.

Shalom is invited ... to support our Casa Mariposa Detention Visitation Program's **fundraiser to find a new Casa Mariposa**. Come to Menlo Park, on Grande Ave., just south of St. Mary's Rd., on Saturday, Sept. 9th! We have reserved two ramadas close to a playground. Starting at 4:00 p.m. enjoy live traditional Mexican sierrana music (guitars and voices), including the teenage son of Raquel Alcantara, who is part of our visitation group to Eloy Detention Center. At about 5:00 p.m. dinner will be served. Bring blankets to sit on, or portable chairs. If you are willing to prepare food for this event, please talk to Tina. Generous donations will be gratefully accepted, as we support our sister visitation group Mariposas Sin Fronteras in taking the lead in acquiring a new house of welcome and hospitality for LGTBQ persons and others who are especially vulnerable in our detention system and who need a place to stay upon release.

From the deacons:

Shalom is the home congregation for Magdy Behman, who is teaching in the Social Science Department at the State Islamic University in Yogyakarta, Indonesia. This week he sent the following update: *Since I left [Tucson] in January, I came here to the serious work—3 MA classes and 2 PhD classes. Great classes and wonderful students, whom I enjoy teaching. As for the fall semester, I am teaching 5 classes and supervising 14 PhD students in Arabic and English. I am so excited about building strong relationships with my students. Keep me in prayers.*

Please send an email to Magdy this week, telling him that his home congregation is praying for him. (mbbehman@aol.com)
